MEDIA RELEASE

30 June 2021

Donation received from The Prince of Wales for Lord Mayor's Distress Relief Fund Appeals

The Prince of Wales has provided the Lord Mayor's Distress Relief Fund with two generous donations in support of people who had their homes destroyed in the recent Woorloo and Hills Fires and by Tropical Cyclone Seroja.

Presiding Chair Lord Mayor Basil Zempilas said it was a privilege to receive the donations from the His Royal Highness and it meant a great deal to the Lord Mayor's Distress Relief Fund.

"We have already seen the people of Western Australia, businesses across Western Australia and the eastern states respond with warmth, generosity and donations to assist those affected by these twin disasters in WA this year," he said.

"The Prince of Wales has provided a very generous donation to the LMDRF.

"It is an honour and a privilege to accept this donation and I thank His Royal Highness and the office of The Prince of Wales for working with us to make this happen.

"This is a reminder to everyone that they can still donate today to assist people affected by Tropical Cyclone Seroja."

Yesterday, the first disbursements were sent to people who had totally lost their homes or had suffered major damage as a result of Tropical Cyclone Seroja.

The Lord Mayor Distress Relief Fund has raised an incredible \$7,579,033 for the victims of Tropical Cyclone Seroja.

The appeal will end on 30 June and people still can still donate at appealswa.org.au
